WORK EXPERIENCE

School of Ministry

2023-Present

Lakepointe Church - Kids Ministry

- Recruited a consistent group of weekly and bi-weekly volunteers, coaches and captains to improve the experience in 4th and 5th grade space. As well as scheduling and making lineups every week to provide consistency and clarity for not only the volunteers but kids.
- Taught large groups and small groups while also leading games from the stage each week creating a fun, high-energy environment.
- Leading small groups with both 4th and 5th graders, making sure that time is used wisely and that materials are taught well.
- Conducted SWIM (Serve with Minor) Interviews and the volunteer onboarding process to make sure that our kid's ministry is a safe place.
- Elevated an already existing monthly kids event to pique interest and grow our kid's weekly attendance.
- Led Chapel at Heritage Christian Academy for over 200 children ages ranging from preschoolers-5th graders.

Student Ministry

- Wrote a four-week student ministry series on "Friendship" for 1,000s of Middle Schoolers.
- Attended "Serve Your City" to do a local mission outreach to invite kids to VBS and small maintenance projects.
- Served all of our church planters and provide service and hospitality at a Strategic Launch Network event.
- Leading decision counseling, walking students through the gospel to repentance or salvation.
- Led student road trip events as a small group leader, camp counselor and a Leadership team.
- Leading a group of 15+ 8th graders, discipling them throughout the year 1 on 1.

Adult Ministry

- Led a setup and tear down team of 10 to set up our special needs prom.
- Learned how to conduct a successful hospital visit, while shepherding a grieving family.
- Learned how to conduct a successful pastoral lunch with a new possible believer and answer their questions. He accepted Christ 3 months later.
- Was able to lead in a successful baptism and learn how to walk through the explanation of what a public declaration of faith means.

Social Media Management

2020-2023

Self Employed

- Managed large social media accounts and websites with large followings. Made posts, and communicating with direct messages.
- Managed accounts with 500,000+ followers.
- Monitored traffic on the web and posts and media advertisements.
- Managed and monitored money going in and out of accounts while having hourly transactions.
- Maintained multiple relationships with many consumers.
- Implemented social media strategies, overseeing all social media channels to promote the brand and grow the reader base.

Floorhand

2022

Patterson-UTI

- Able to work at a fast pace and make split-second decisions with fast reaction times.
- Tripping pipe in and out of wells.
- Using and fixing many different types of machinery.
- Run the floor to an oil rig.
- Able to work at heights above 100 ft tied off.
- Cleaning and organizing work spaces.
