OVERVIEW

Over two weeks, we will be taking over 1,500 students in grades 5th-8th grade and volunteers from all of our campuses to beautiful Lake Travis near Austin, Texas. Each day will have incredible worship with Move Love Worship Team and guest speakers, Jacob King (5/6 Grade camp) and Nate Gilgenkamp (7/8 Grade camp). Students are assigned to a small group to help walk them through the challenging and powerful messages they will hear.

We know it is going to be an incredible week! Please keep us in your prayers as we experience all that God has in store for us.

- Pray for your student on a daily basis that God would do something incredible in his or her life.
- Pray for the safety of all the students and leaders.
- Pray for the leaders that God would give them energy for each day and wisdom to deal with the issues they will face.

MEDICAL EMERGENCIES

All medical emergencies and sicknesses will be handled on the spot by the medical staff at Highland Lakes Camp. If there is a more serious medical emergency, your child will be taken to a local hospital for treatment and you will be notified immediately.

MEDICATION

Students **must** drop off their medications at check-in. ALL medicine must be in its original prescription bottle with student's name on it. Please don't bring any over the counter medicine as the camp will have anything your child might need in their medical clinic. **Please administer lunch meds as needed prior to student getting on bus at check-in.**

Students will need to come to the medical clinic at the appropriate times during the day to receive medications. If they forget (which we know they will) our staff will track down the student to take them to the clinic.

SECURITY

We have thoughtfully considered and established all of our policies and procedures to keep every student safe while they are in our care. We are bringing our own security team, composed of volunteers.

TRANSPORTATION

We will be traveling to camp on chartered buses. Buses will be split between guys and girls to the best of our ability.

All buses are pre-assigned by group/friends requested. We will have adult leaders spread throughout each bus. We will show rated G or PG only movies on the buses. Once on the bus, students will not be allowed back off the bus until arrival.

All of our buses will be nut free so please keep this in mind when packing bus snacks.

FREE TIME ACTIVITIES

Free time is between lunch and dinner each day.

Highland Lakes Camp has many activities for your student to enjoy which are all included in the cost of camp. These activities include the following and much more!

- Archery
- Basketball
- Zipline
- Gelly Ball
- Blob
- BB Guns
- Paddleboards
- Kayaks
- Large Swimming Pool with 2 Water Slides
- Giant Hexapod
- Banana Boats on the lake if lake levels permit

MISSION EMPHASIS

Every year, we place a special emphasis on a ministry to highlight needs in our world. At camp this year, your student will have an opportunity to impact the lives of kids and students in South Africa. That region has been impacted by a lack of clean water and our camp mission offering will go towards supplying clean water. You can send money with your student to donate to this amazing ministry during camp.

SMALL GROUPS

The leaders in your student's small group will be background checked and trained by the campus Student Pastors. Small groups are campus specific and generally range from 10-12 students, plus adult leaders. Small group time is for discussion on the topics the speaker teaches on during worship sessions.

ROOMING

We are staying in bunk style accommodations. We ask that you have an important conversation with your student about respecting the things in their room. Any damages will be paid for by the student's family.

Dorms will be off-limits during free time and our security team will monitor the areas at all times. Should a student need access to their room, a leader or security member will need to grant them access and arrange for them to be escorted. Once students are in the room for the night, they will not be allowed to leave. Our security team will do a room check on all rooms each night to ensure all students are in their rooms.

We will work as hard as we can to make sure that students room with who they requested, but there are instances where it is necessary to go outside of those requests. We can promise that each room is created thoughtfully and prayerfully and your student will have an amazing week.

- **NO** public display of affection.
- **NO** one is allowed outside of the rooms after lights out...NO ONE!!!

ALL VALUABLES BROUGHT TO CAMP ARE THE RESPONSIBILITY OF THE STUDENT. LOST OR STOLEN ITEMS ARE NOT THE RESPONSIBILITY OF THE ENCAMPMENT OR LAKEPOINTE CHURCH.

CELL PHONES

We do not allow Middle School students to bring cell phones to camp. Cell phones today are much more than just phones used to call home. We want to do our best to protect the environment that every student will experience at camp. By not allowing phones to be brought to camp we help protect that environment. We know this means you will have less contact with your student during the week, but we ask that you trust that we will do our absolute best to help your student have the best experience possible. Our pledge to you is that we will be quick to call you if there is any sickness or injury to your student. If there is an emergency and your student needs to call you, they can come to the camp office and we will get you in touch with your student as quickly as possible. We really believe that a week away from texting and social media will do all of our students some good. Letting go of their phone will be a difficult thing for many of our students, and there will be many that will be tempted to "sneak" their phone to camp. Please make sure that you as the parent are in possession of their phone when they leave for camp so that all our students can enjoy camp without the distractions that phones can bring. If we find a phone at camp we will keep it in the camp office and you will be able to pick it up at the medicine pick-up station at your check-in campus when the students return to Lakepointe.

DIETARY GUIDELINES

Highland Lakes Camp orders their Gluten Free, Nut Free and other food allergy related items from a reputable company named Gordon Food Service.

The Dining Hall Staff at Highland Lakes are professionally trained in accordance to Food Safety in the State of Texas. The Dining Hall Staff have completed Food Safety Courses and are knowledgeable about what to do for your specific allergy, which include:

- Changing gloves between touching different food products
- Assigning one to two people to focus solely on prepping/cooking/serving a particular food need
- Having clean cooking pots/pans/fryers/utensils for making food for a food allergy

The following are some common food requests that we cater to on a regular basis:

• No Red Meat	• Gluten Free	• Vegetarian	• Nut Free	• Dairy Free	• Pescatarian
