- LakePointe Church School of Ministry Resident (Pastoral Ministry)

I took the role of Pastor of Ministries for over 7 months at our North Dallas LPE Campus. That gave me the opportunity to oversee 9 Life Groups and work with their leaders. I lead huddles of volunteers on a consistent basis. I do admin work, contacting first time guests and follow up with their next step. I teach Student Connect and United LPE Jovenes on a consistent basis. I oversee First Impressions making sure they have what they need as their Floor Pastor every Sunday. I had the privilege of running our campus alongside our Student Pastor on our own for over a month while our Campus Pastor was in his paternity time overseeing operations and logistics of special events that we had during that month (Baptisms, Night of Prayer and Worship, Parents Dedication, launching of our new discipleship program CRECE).
