PHILOSOPHY OF MINISTRY

My desire is to make Him known and love others through the Holy Spirit within me (Matthew 22:36-39). I strive to abide in His word and prayer so He can renew me to love others well in thought, word, and action (John 15). Using my spiritual gifts, I aim to glorify His name and live out the fruits of the Spirit—love, peace, joy, kindness, generosity, faithfulness, gentleness, and self-control (Galatians 5:22-23). My hope is that every interaction leaves others knowing the Father more and feeling loved.
